Alternative Gifts Form

Your Present for their Future

If you are stuck for present ideas for family and friends, why not buy a gift that will make a real difference to someone living in poverty?

You can choose a gift from our list of items below. These are things that our beneficiaries need the most; simple things with a powerful impact.

When you have chosen your gift, mark the relevant box with a cross and send us this form with a cheque for the full amount to: BF Alternative Gifts, 1 Charlies Yard, Dyke, Bourne, PE10 0GQ. We will post a gift card to you, that you can then send it to the fortunate person to let them know what has been sent to someone in need on their behalf.

How many people can say they received a present that changed a life?!

	Children
	School materials £10 (+ uniform £17) Children affected by leprosy and poverty often can't go to school because they can't pay for the equipment they need. A school pack includes a bag, books, pens and exercise books for a year.
] 10 footballs £20
_	Providing fun and games for children in our care.
	Hospice care £33 A child who is desperately ill needs specialist care, medication and food. Please help us to provide care for a child for one month.
	College Fee £250 Every year we have around ten talented students who want to continue their education at a local college. Education is the key to breaking out of poverty for good. This gift will enable one person to go to college for a year.
	Health
	Mosquito net £7 Life-saving net to prevent malaria. Blankets £25
	Buy blankets for ten elderly people affected by leprosy.
	Solar cooker £25
	Solar cooking is the simplest, safest, most convenient way to cook food without consuming fuels or heating up the kitchen. Many people choose to solar cook for these reasons. But for people in India who cook over fires fuelled by wood or dung, and who walk for miles to collect wood or spend much of their meagre income on fuel, solar cooking is more than a choice — it is a blessing.
	HIV/Leprosy food and nutrition pack £72
	Feed a family for a year including supplements and medication.
